33.

Defining Clauses (Blue):
who care about our planet
that harms people and nature
that erupt suddenly
that lose their habitats
that protect wildlife
who loves nature
that we take today

Non-defining Clauses (Red):
who is a well-known environmental
scientist

which is one of the biggest global
problems today
which often bring heavy rain
which cannot be predicted exactly
which are already at risk
which is becoming more popular every
year
which is our only home
